Coworking center - more for family with children

Looking for a way to bring together business, education and family?

In the UniCare coworking center you can find:

* space to work & a place to meet with your clients

  (coworking for working parents)
* opportunity for education
* professional entry
* pleasant environment

 Coworking center for working parents....
...you are on maternity / parental leave, you would like business, BUT....

* you don't know what to do with children
* you don't know how to do
* missing you money
* you have no where...

Write to **coworking@unicare.sk** and maybe you will find a solution just for you 😊

If you think that our solutions will help to your friends, delight us, when you send them this message...

Join us on Facebook and...

... you can get information about our events among the first ;)
