# Workshops

« back to the kindercenter´s activities

## What is workshop

Space of fantasy that has no boundaries, and thus we can define it as a creative work room. If we add the child to this, we get boundless **space of fantasy**, **adventures**, **fun** and **unique works of art**. Everyone is creative. Our creativity can occur in any activity, and it is creative work room where we can constantly develop it. In our handy hand work room we are ready to develop your child's artistic creativity.

## Why = reason to decide

Do you know that the creative work room has **a great impact on the development of child's**

**personality** precisely because the activities help to:

- develop thinking
- develop knowledge of new things
- gain knowledge and skills about materials and techniques he/she is working with
- develop his/her sense for aesthetics
- develop the imagination, fantasy, and patience
- support joy of his/her own work of art
- significantly develop fine motor skills especially in young children

## Ako

Creative work room activities are aimed to **develop children's sense for art** by means of three-dimensional production:

- Maudling and ceramics
- Sculptures from the paper
- Sculptures from wood
- Plastic works of various materials

By means of art games we deliver to children the basic knowledge of the different three-dimensional art techniques. So, we contribute to the development of imagination and to the children's joy of their own Works.

Workshops courses we will **start in April 2011**. We will notify you by phone or mail a specific date for the start of the course. We will meet **1per week**. The course has **8 sessions**.
